

QUBITZ

Rules & Regulations

About the Event

Txotica is an inter-school **tech quiz** designed to challenge young minds on everything that defines our digital era — from cutting-edge innovations and tech giants to coding logic, gadgets, and futuristic concepts.

Participants will not be tested just their memory but their curiosity, speed, and ability to connect the dots across diverse fields of technology. The event celebrates creativity, critical thinking, and awareness of how technology shapes our world.

Whether it's a question about AI breakthroughs, iconic inventions, or internet culture — **Txotica** promises an engaging and competitive experience that sparks passion for all things tech.

Basic Rules for the quiz

- 2 members per team
- Open to Grades 9–12
- **Category 1:** Senior Category: Classes 9 and 10
- **Category 2:** Super-Senior Category: Classes 11 and 12
- Usage of Smart Phones or any other gadgets is strictly prohibited. If found, it will lead to disqualification.
